

Small Baskets by PC Locs™

The Small Baskets by PC Locs can store up to 5 devices.

Compatible. Small Baskets by PC Locs are designed to accommodate almost any device up to 11 inch, including Chromebooks, MacBooks, Surface Pros, iPad devices as well as most Tablets with or without cases.¹

Small Baskets by PC Locs make device deployments faster and safer, so that Teachers and IT Administrators can focus on creating an engaging learning environment.

It just makes life easier.

Baskets Ecosystem.

Get the most out of your set of mobile devices and share them with more users than ever before. PC Locs' Small Basket ecosystem is part of the iQ range of products. This means that you can easily distribute more devices faster and without having to push a Cart to where devices are needed. You can also interchange Baskets between different iQ Carts and Charging Stations.
