

24.5mm

STEP 1: Check the device thickness

Check the thickness of your device here. If the device thickness fits within the boundaries of this shape (and measurement listed), you're almost there. Go to STEP 2.

Does your device fit in the Large Basket by PC Locs? Check it here.
To ensure accurate measurements, please PRINT TO SCALE on A3 size paper (portrait).

STEP 2: Check the device dimensions

Place your device here. If it fits within the boundaries of this shape (and measurements listed), Proceed to STEP 3.

STEP 3: Check the device charging point

Ensure that the charging point is above the dashed line.
If it is, then you're good to go. Your device fits!

PLEASE NOTE:

It is your responsibility to ensure you measure your device correctly.

If you are planning to use a case with your device, ensure you have it on whilst checking the compatibility.

If the device is too thick with the case installed, but fits with STEP 2 and 3, there is one more option. You can remove the moulded device divider from the top of the basket. For details about this option, please contact us.
