PC Locs makes life easier.

Baskets by PC Locs.

Slotted device Baskets by PC Locs make device deployments faster, safer and more efficient.

Efficient USB-C Charging.

The iQ 10 Charging Station with USB-C PD is compatible with the latest USB-C devices. Charge 10 devices at once at 30W of power per USB-C port.

Wall or Desk Mountable.

iQ 10 Charging Stations are designed to adapt to your surroundings. Transform any wall or counter into a secure area for charging mobile devices while taking up only minimal space.

Easy Cable Management.

PC Locs cable management has been simplified so that you can wire an entire Charging Station in minutes. Save time with set up and gain time using your Charging Station.

Smarter Workflow

Save Time, Save Money.

Our goal is to save you valuable time, each and every day, thus saving you money. Our Baskets enable hand-out and pack-up devices in less time, allowing you to forget about charging and focus on your goals.

Perfect for Shared Use.

Not enough devices to go around? No problem. You can easily share mobile devices between rooms without the fuss. Simply grab a Basket or two of devices and transport them safely and easily to just about anywhere you want to go.

Additional Key Benefits

Compatible & Efficient.¹ Includes two small Baskets to hold devices up to 11" as well as a plastic device rack for storing larger tablets, with or without cases. With up to 30W of power at each port, you can simultaneously charge 10 devices in approximately the same time as charging just one.

Distribute devices up stairs or over rough terrain. Baskets by PC Locs allow you to share and safely distribute devices between multiple locations within your facility. The Baskets are interchangeable with PC Locs Carts and Charging Stations that use the same Small Basket ecosystem.

Secure. Protect your device investment without worry. Lock away devices in the storage area with a padlock.

Small Footprint. Easily place the Charging Station on a counter or mount it to the wall. Either way, iQ 10 Charging Stations take up minimal space.

Tough as Nails. iQ 10 Charging Stations are made with high-quality, welded steel and are backed by a lifetime warranty.²

Lock Included. This Charging Station comes with a high-quality, stainless steel padlock and keys.

Future Proof. Think inside the box, and you won't be stuck with a bunch of outdated Charging Stations. Removable racks and Baskets allow this station to adapt to future needs as devices change or new technology is added.
